Liverpool to Manchester Airport and Warrington Bank Quay via Earlestown

Northern

This booklet shows the complete train service between Liverpool, Manchester and Warrington Bank Quay via Earlestown.

The train service between Warrington Bank Quay, Helsby and Ellesmere Port is shown in a separate timetable at the back of this booklet.

For services between Liverpool and Manchester via Warrington Central see Timetable 16.

How to use this timetable

- Turn to the page showing the direction of your journey and the day of the week you wish to travel.
- Look for the station you will be departing from in the left hand column.
- Read across the page until you find the time most convenient for you to catch the train.
- Read down this column, looking to the left to find your destination station. This will give you your arrival time.

24-hour clock

This timetable shows all times using the 24-hour clock in order to avoid confusion between morning and afternoon services. Using the 24-hour clock 1am becomes 0100 hours, 2am becomes 0200 and so on until midday, which is 1200, then 1pm becomes 1300, 2pm becomes 1400, 3.30pm becomes 1530 and so on.

Through trains and connections

If the train times are in **bold type** you will not have to change trains. If your arrival time is shown in light type you will need to change at the previous station whose time is printed in bold type unless a footnote gives other instructions. If your departure time is shown in light type you will need to change at the next station whose time is printed in bold type unless a footnote gives other instructions.

No Smoking

Please remember that smoking is not permitted on stations or on trains.

Before you board the train

At staffed stations you must have a valid ticket or pass for your journey. This is a legal requirement which applies when the ticket office is open. When boarding at unstaffed stations, you must buy your ticket on the train unless you already have a valid ticket or pass.

Buying your ticket

You can buy your ticket from station ticket offices, quickfare ticket machines and some travel agents. If your journey starts at a station where no staff are in attendance, you can buy your ticket from the conductor on the train.

It is your responsibility to buy a ticket for the journey you are making. Northern has a 'zero-tolerance' policy on people who avoid paying fares and you risk prosecution if you travel without a valid ticket or pass.

Northern aims to make its services available to all, including those with disabilities or restricted mobility.
